

# Deep Learning

Tamer Elsayed

1. Welcome to Deep Learning
2. Introduction
3. Supervised Learning
4. Shallow Neural Networks 1
5. Shallow Neural Networks 2
6. Deep Neural Networks
7. Loss Functions 1
8. Loss Functions 2
9. Loss Functions 3
10. Fitting Models 1
11. Fitting Models 2
12. Backpropagation 1
13. Backpropagation 2
14. Model Initialization
15. Measuring Performance 1
16. Measuring Performance 2 & Regularization 1, Project
17. Regularization 2
18. Regularization 3, Self Attention
19. Self Attention
20. Transformer Layer
21. Encoder and Decoder-only Models
22. LLMs & Encoder-Decoder Models, CNNs 1
23. CNNs 2
24. CNNs 3
25. Transformers for Images
26. Materials

September 3, 2025
